Pat

Speak your future into existence and let people know what you want. Research and connect.

Ruben

Polish your resume, and make sure you take advantage of connecting with former service members on LinkedIn. See if they have a similar background as you and connect.

Jean

Make sure you translate your acronyms. Understand that civilian corporations may not have former service experience.

Rhonda

Plan early, and make sure you research different industries and roles you want to work at, then go from there.

Nick

Start listing all the challenges you've faced and how you overcame them.
Rehearse your storyline, and make sure it is relatable and transferable to the job you are applying to.
