# EFFECTIVE TIPS FOR A CANDIDATE INTERESTED IN WORKING FOR

1.

To be a strong candidate at Amneal, you have to be excited and engaged to be part of a team. Amneal values volunteerism, sustainable business practices, and support for advocacy organizations.

2.

Connect with hiring managers on LinkedIn and express your interest in the role; write a thank you letter after your interview.

3.

A cover letter goes a long way, people actually read the cover letter. You do not have to have a pharmaceutical background to be a strong candidate. Amneal is looking for skills that can translate to the role. In your cover letter, personalize it and showcase your experience.
