# TIPS TO NAVIGATE YOUR CAREER DEVELOPMENT FROM OUR **PANELISTS**

**Byron**

Be ready to experience some ambiguity in making that transition from a structured environment to a place where you are managing your own career. Be proactive and research, make connections, and ask for help.

**Gary**

Do your research on positions. Go to the Department of Labor and look at the statistics and compare the salaries in different states to know your worth in salary expectations.

**Josh**

Look on our Careers page under Separate Requisitions to find our leadership development programs. VDP and LDP means if you are a veteran and apply, you will get additional mentoring and training.
